American Standard Style Deck Mount

Model No.: AS100

- **75%** Less Strain
- **50%** Faster Installation
- **3X** Rinsing Efficiency
- **5X** Longer Lifespan

100% SUS304 WETTED PARTS

Stainless Steel Spray Valve

Patented Dual-function Model

- Rotary switch (powerful and large-area washing)
- Reduces at least 75% muscle strain

Powerful Washing

Large-area Washing

Hose

- Heat-resistant up to 95 °C
- Dual 360° swivel head and universal joint
- Tensile strength up to 155 kgs

Single-function Model

- Single powerful washing
- Reduces at least 75% muscle strain

Single Powerful Washing

Stainless Steel Rapid Screw Valve Core

- Tested for over 200,000 switch cycles (under high-temperature and high-pressure)
