

LIMITED WARRANTY STATEMENT

Thank you for your purchase and partnership!

Bestware is a leading provider of high-quality stainless steel commercial faucet solutions. Backed by proprietary technologies and years of industry experience, we operate as a fully integrated manufacturer with in-house R&D, production, and sales.

While our products are built to the highest standards, occasional issues may arise. If you encounter any problems, we ask for your patience and the opportunity to resolve them. We are committed to addressing all concerns promptly and professionally.

We understand that defects not only incur time and cost but also affect your experience with our brand. That's why we respond promptly and are committed to upholding your confidence in us. We appreciate your understanding and continued support.

LIMITED WARRANTY

Bestware Hardware Production Co., Ltd. (hereinafter "Bestware China") is honored to offer the following exclusive limited warranty. During the warranty period, Bestware China will provide, at its discretion, free replacement of defective parts and technical support to maintain a high-quality customer experience.

Please note that customers are responsible for all shipping costs related to warranty services. Bestware China reserves the right, based on its professional judgment as the manufacturer, to make the final determination and interpretation of warranty terms and their application.

WARRANTY ELIGIBILITY

This warranty is exclusively available to the original purchaser (B2B customers) and is non-transferable.
